

Guidelines for a custom set of photos with Mistress Vivian

A custom photo set usually consists of 20 high resolution pictures especially created for your needs. The base price for a custom photo set is \$200.00.

I am certain you already have a good idea of what your custom photos should look like. Now it's important to be specific and provide me with as many details as possible.

In order to get your very own unique photo set ready as quickly as possible please include the following:

- **What kind of look do you want to create?**

- specific outfit?
- Material? (Latex/Leather/PVC/Satin/Nylons)
- Shoes, if any? (Heels/Boots)
- Wigs?
- Make Up? (Dark/Light/Lipstick color)

If a specific look or outfit is important to you be sure to include it in your description.

- **Should there be an outfit change or do you prefer to have a complete set with one outfit only?**

As you are aware of, my wardrobe is extensive and features only the greatest fetish outfits.

You may already have a favorite outfit in mind and this may be your outfit of choice throughout the entire custom set of photos; or you may wish to see Mistress Vivian wear different items of clothing of a specific material such as various latex items.

If you require a specific outfit that's not in my wardrobe, this outfit will be purchased on your expense, therefore increasing the price of the set of photos. You will be notified of any such changes.

- **What kind of props will be required (whips, strap-on, handcuffs, chains, candles, jewelry etc.)?**

If certain props are important to you, let me know what items should be either visible to set the mood of the picture, or whichever items you may require to be used, worn or held.

Same rules apply for props I don't own, if you require certain props, the price of these will be added to the total cost of your photo set.

- **What is the theme of your photo shoot?**

Do you have a specific fetish or a favorite scene you enjoy being played out in your custom set of photos?

You may wish to tell a certain story throughout one set, or you may wish to not relate one picture to the next. You will just have to let me know.

Remember, I am the only person appearing in photos. Only in rare cases, if it is deemed essential, will another person be included in a custom photo set. The reason for this is simple: It's about me, and me only, not another person.

- **Are specific positions/views needed (e.g. full view, side view, rear view, close up, from below, from above, legs resting on something etc.)?**

- **Are 20 photos enough to play out a specific scene or do you require less/more? Price will be adjusted accordingly.**

Sometimes, 20 photos may not be enough for your custom set, or you may not require 20 photos. Even a single custom photo is possible, the price for this is \$30.00.

The more details you provide, the better your custom set of photos will turn out to be.
